

Basic Greek Vocabulary

This vocabulary list of about 550 items has been compiled from
Greek to GCSE Parts 1 & 2 by John Taylor.

Words are listed in the order found in each chapter of the books.

The Genitive of nouns is given where this may not be obvious.

Adjectives are given in Masculine form with Feminine & Neuter for 3rd declension.

Imperfect and Aorist verb forms are listed separately from the Present.

The third column of the list shows the chapter in the book
from which the word comes and its grammatical category:-
